A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, the Kodiak Island Fishing and Packing Co., Inc., whose home office is at Seward, Alaska, is hereby authorized to operate a herring curing plant in Uganik Bay, and to install and operate in connection therewith a one-line salmon cannery, within Zone Three of the Kodiak-Afognak district of the said reservation, during the calendar year 1923, under the following conditions:

1. That in fishing for herring two purse seines may be operated anywhere within Zone Three of the Kodiak-Afognak district of the reservation, provided, that in all fishing for herring and in the preparation of herring products within the Afognak Forest and Fish Culture Reserve, as far as possible all work in connection with the taking of herring and their subsequent preparation for market shall be performed by natives who are residents of the said reservation. The latter provision does not permit the use of herring purse-seines within the bays and harbors of the Afognak Reservation, unless they are manned by natives who are residents in the reservation.

2. That fishing operations for salmon may be conducted in Uganik Bay, Terror Bay, Viokoda Bay, and the waters of Shelikof Strait from Cape Ugat to Raspberry Strait, using five (5) beach seines for this purpose. The use of purse seines for salmon fishing is not permitted within the reservation. Fishing for salmon within the Afognak Reservation is permitted only to native residents of the reservation, who exercise the unrestricted privilege of disposing of their catch to any purchaser.

3. That the pack of all species of salmon shall not exceed twenty thousand cases, computed upon the basis of 48 one-pound cans per case.

4. That the company shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.

5. That this permit expires December 31, 1923, is not transferable, and is revocable at any time at the pleasure of the Secretary of Commerce.

Secretary of Commerce.
